

Spec Explorer Project Test Report

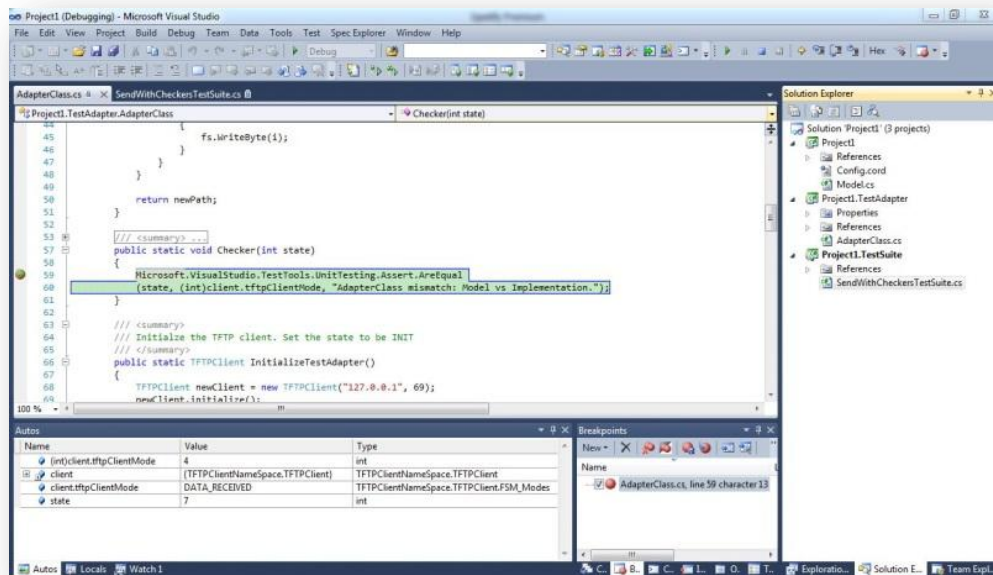

List of Bugs

1. Test case ID: SendWithCheckersTestSuite.cs

Failure: State transition error

Reason: Implementation of sendACK() is buggy and do not change the state of the client correctly.

Expected state is 7(ACK_RECEIVED) but received state is 4(DATA_RECEIVED)

2. Test case ID: ReceiveWithCheckersTestSuite.cs

Failure: State transition error

Reason: Implementation of receiveACK(out byte[]) is buggy and do not change the state of the client correctly.

Expected state is 5(ACK_SENT) but received state is 8(DATA_SENT)
